PRELIMINARY AMENDMENT

Sir:

Prior to examination, Applicants wish to amend the subject application as follows:

In the Specification:

Page1, line 1, please replace with the following: TITLE OF THE INVENTION.

Page 1, lines 6-16, please replace with the following:

FIELD OF THE INVENTION

The present invention relates to a vibration damping rubber member and a process of producing the same, and more particularly to a vibration damping rubber member capable of exhibiting low dynamic stiffness and high vibration damping effect, and a process suitable for producing such a vibration damping rubber member. The present invention is also concerned with a process of producing a vibration damping rubber member having an
